RE: Carrington in Lincolnwood  
Appreciation of a job well done

Eddie,

I would like to personally thank you for the job well done at Carrington. You had the second largest contract on the project at \$9.6m dollars and you executed flawlessly. The materials were ordered in a timely manner and arrived on the jobsite as promised. You managed the 50+ electricians that were required at crunch time and were always on or ahead of schedule. It has been a pleasure dealing with your clear and concise paperwork and the excellent planning effort that you and your team put into this successful project.

Sincerely yours,
